Spirit Wear, Tamara Moore

Williams Ink Work (via Janet Williams) designed three logos for use in our spirit wear line. Will do mass order pre-holiday and then maintain inventory for us going forward. Can be available for orders all year.

Blue Ribbon Lamppost Project, Tamara Moore

Shall the PTO buy a lamppost for school that commemorates PCES' Blue Ribbon achievement? Tamara will look into pricing and other similar options and report back at January meeting.

Box Tops, Carole Felt

Carole wants to rekindle the interest in box top collection and is open to feedback. The group supported her idea to provide fun, seasonal worksheets to the classrooms for kids to bring home and collect box tops on. Different ideas were discussed: contests for most completed worksheets, older kids keeping a graph of box tops collected that could be posted outside classroom, etc. Let's get more info on website. Budget needs to be reconciled on this line item to show accurate balance.

Door Decorating Contest, Jennifer Ginder

Project is underway, judges will evaluate doors on Wed, Dec. 14 and prizes will be announced on the 15th.

Teacher Appreciation -- Teachers will receive gifts from PTO and a luncheon on Wednesday, Dec. 14. Kristin and Karen are treating faculty to special treats throughout the week next week.

Meeting adjourned.
