

Fayette County School System
Georgia Performance Standards Scope and Sequence
3rd Grade Math

****Below is a suggested scope and sequence developed by the 3rd grade teachers of the Fayette County School System. This is a spiraling curriculum within the school year—once a unit is taught, teachers should always revisit and include the math concepts of prior units within the mini tasks and culminating performance tasks of the current unit, as appropriate.**

Third 9 Weeks

First 9 Weeks

Unit 1 *Everything in Its' Place*—20 days

Pre-assess student's basic fact skills

M3N1 a, b (whole numbers only, tenths is in Unit 6)
Process Standards
